13th January 2022

Dear Parents,

It's official. Ofsted say New Road Primary and Nursery School is GOOD in every area.

On behalf of Aspire Learning Trust I am really excited to share with you the Ofsted report for New Road Primary and Nursery School. Ofsted have praised the school describing it as good in all areas. This is a tremendous moment for our community, and I know that you will be very proud to find out that your child attends one of the best schools in the county.

I want to take this opportunity to thank Mr Litten and his team of hard working and dedicated staff for all the love and care they show for the children who attend New Road and their excellent teaching skills that help children learn well. Teachers and support staff all play a vital role in the success that is being achieved.

We are also very grateful for the support we receive from parents and guardians who work in partnership with the school staff to ensure their children get the very best possible education.

Ofsted said: -

- *Pupils at New Road are happy and polite.*

I hope you enjoy reading the report. Whilst the report is really encouraging Mr Litten and myself are determined that the school will continue to get better and better and we are already talking about what can be done next to make the school even more special.
