Dear Parents & Carers

I am writing to thank you for your support at Christmas time this year!

We followed the advice from the Public Health England and the Local Authority and as recommended we held all our usual Christmas events virtually.

The advice to schools in an Enhanced Response Area states:

***It is recommended that performances with an external audience including parents/carers do not take place and streamed or recorded options are used instead.***

We would like to thank you for supporting this decision. The school **has not received one** email challenging this decision or to express disappointment.

We are also delighted to share with you that we only have **one** confirmed case in school.

All of our hard work and commitment to keep the children, staff and you and your families safe appears to be paying off!

Our aim always has been for our children and staff to spend Christmas with the people they love the most, rather than self-isolating or being unwell.

We have done our bit to increase the likelihood of this happening.

Thank you and Happy Christmas to you and your families from all of us at

New Road Primary & Nursery School
