

Creating aspirations and enabling achievement

17th January 2022

Dear Parents/Carers

I am delighted to share with the whole of Aspire Learning Trust, the wonderful news that New Road Primary and Nursery School has been judged 'good' in every area by Ofsted. This means all schools in our family are 'good' and we are now starting on the journey to 'outstanding'. I am really proud of the staff and children in all of our schools who work so hard. We want the town of Whittlesey and the parents to be really pleased with the schools that their children attend, and I believe we are making great progress in this area.

Ofsted said: -

- *Pupils told inspectors that they feel listened to.*
- *Governance is strong.*
