New IT systems

The school's computers were rebuilt in the summer holidays. The staff and pupil computers work even better. Staff are getting used to the changes. If you do not receive a reply to an important email in good time, please ring the school and let us know.

Healthy and Safe Snacks and Packed Lunches

Children in Nursery to Year 2 are given a piece of fruit by the school for a snack in the morning. If you send your child to school with a snack or packed lunch please do your best to provide healthy options when possible.

We are a **nut free school** we have staff and pupils with nut allergies, so please avoid sandwich fillings such as nut-based chocolate spread.

Arriving at School on Time

Please arrive at school on time - classroom doors open at 08.45am and close at 08.55 am.

Parking

It is difficult to park near the school. We have safety signs on the roads around the school to create safe crossing places for children. If you are running late parking will be difficult and stressful for you and your children.

Returning to School

We know returning to school is a very busy time for families and can be stressful for some. It is a big change that we all need to manage. Please remember we are here to **help you and not judge you**.

If you are finding the return to school difficult, please let your child's class teacher know, by helping you we help every child receive the education they deserve.

Our very best wishes for a very happy school year!

Rob Litten
