## Froglife sessions for Year 4, 5 and 6

This term, your child will have the opportunity to take part in an exciting Froglife session called 'Nurture and Nourishment'. The session will include learning about healthy eating and biodiversity, which will be taught in a fun and engaging way. Pupils will learn about the importance of healthy eating and discover the interdependency of nature and food sources. Additionally, they will also gain knowledge about why we need to conserve nature.

Children will need to come to school wearing clothes that they do not mind getting dirty, including a spare change of shoes. If the weather is wet, please also send your child with waterproofs.

All sessions will be held on Wednesday 29.09.21. Timings for each class are as follows:

| 9:30-am-10:45am | Year 6 |
|-----------------|--------|
| 11am-12:15pm    | Year 5 |
| 1:30-pm-2:45 pm | Year 4 |

We look forward to welcoming Froglife into our school to lead this exciting learning opportunity.

Yours sincerely,

Miss Chatterton, Mrs Bowyer and Mr Allen
